

## Homegrown Juices

The Homegrown Juice company believe in striving to produce the best tasting and healthiest juices and smoothies in the world.

### RAW COLD PASTEURISED. GREAT TASTE – GREAT HEALTH

- A unique cold pasteurisation process, which retains the natural taste and nutritional goodness
- The raw juice undergoes a high pressure production process which deactivates naturally occurring bacteria, yeast and mould
- Essential vitamins, minerals and flavour are retained through this process
- 90 day shelf life (chilled)
