

## Ogni Organic Milk

Collected from certified organic farms free from synthetic fertilizers and pesticides. Our organic milk is produced from cows fed on clean and natural pastures in New Zealand.

## PIONEER OF NEW ZEALAND'S ORGANIC MILK

- Organic milk is a premium New Zealand product and its production is limited compared to standard milk.
- Oghi Organic milks powders are specially formulated for young children and pregnant and lactating mothers.
- Packed full of essential vitamins and minerals to maximise health and wellbeing.
- Organic certified
