

Tonzu

We specialise in the manufacture of traditional and sustainable 100% certified organic food products that are both good for you, and good for the environment you live in.

ORGANIC TOFU

For almost 100 years we have been manufacturing organic wholefoods. Our patience and investigation led us to develop further insights, and a passion for healthy lifestyles and organic sustainable food sources.

Hand-crafted using traditional Japanese methods and only 3 high-quality, natural ingredients.

- Certified organic
- Vegan
- Vegetarian
- No cholesterol
- Dairy free
- Gluten free
- No artificial colours
- Good source of protein
